Camp Logistics Deep Dive

Pre-Camp Webinar Recording:

Linked below is the Pre-Camp Webinar recording to learn more about what to expect at camp (a 20-minute watch)

Team Assignments:

Teams will be posted in the early afternoon of Day 1 via the Headfirst mobile app. Which team your student-athlete is on will determine what time their day will end in the afternoon of Day 1, as well as their arrival time and exact schedule for Day 2.

Schedule:

A schedule overview is discussed on the Pre-Camp Webinar, and can be seen in the Headfirst on-site app (please download with the steps above).

During the offensive showcase rotation on Day 1, student-athletes can expect to have recharge time to hydrate and eat.

Programming on Day 2 will be complete for all student-athletes no later than 5:00pm.

Numbered Camp Jerseys:

Each player will be provided with a numbered Headfirst Showcase Camp jersey at check-in. This shirt is the player's to keep and will allow college coaches to identify the players throughout the event. Players will be required to wear their Headfirst shirt on each day of camp. Most players choose to wear a layer underneath their numbered camp jersey.

Bats, Helmets & Footwear:

Players should bring their own equipment -- to limit sharing of equipment, we will not provide batting helmets in dugouts, and ask that players bring their own.

Lasorda Legacy Park is an all-turf facility, and **metal spikes are not permitted. Players should plan on wearing rubber or molded cleats or turf shoes for the entirety of camp programming.**

Food & Drink:

Headfirst provides water coolers in dugouts for players to re-fill water bottles over the course of the two days. Parents/guardians must provide all other drinks, snacks, and food. There is an on-site cafe with drink and food options for purchase, as well as highlighted nearby options in the Headfirst mobile app. We advise that players arrive each day with some light snacks.
